AGREEMENT

This Agreement is made and entered into by and between WESTMINSTER PUBLIC SCHOOLS and the WESTMINSTER EDUCATION ASSOCIATION this 26th day of May, 2016, effective July 1, 2016, through June 30, 2019.

ARTICLE 1 - Definitions

- 1-1 The term “employee” as used in this Agreement shall mean an employee of the District who is a member of the negotiating unit.
- 1-2 The term “Board” shall mean the Board of Education of Westminster Public School.
- 1-3 The term “Association” shall mean the Westminster Education Association.
- 1-4 The term “District” shall mean Westminster Public Schools.
- 1-5 The term “Superintendent” shall mean the Superintendent of Schools of the District.
- 1-6 The term “school year” shall mean the period of time from the opening of the schools of the District in the fall, usually in August, to the closing of the schools in the spring, usually in June.
- 1-7 The term “parties” or “party” shall mean the District and/or the Association.
- 1-8 The term “supervisor” shall mean any building administrator or the administrator of any work location or functional division.
- 1-9 Except when modified by the word “calendar”, or by some other word, the term “day” shall mean a work day, that is, a day on which an employee is responsible to perform services for the District.
- 1-10 The “negotiating unit” shall consist of all educational support professional employees of the District who are working at least four (4) hours per day and are not excluded by Board policy.

ARTICLE 2 - Retained Rights

The Board of Education and the Association recognize that the Board of Education has certain powers, discretions and duties that, under the Constitution and laws of the State of Colorado, may not be delegated, limited, or abrogated by agreement with any party. It is further understood between the parties that all rights and authority of the Board of Education, which are not specifically waived, compromised, or otherwise mentioned or limited in this agreement, shall be retained by the Board of Education.

ARTICLE 3 - Recognition

The Board recognizes the Association as the exclusive representative of and negotiating agent for the ESP Unit as defined in 1-10.

The association will represent equally all members of the negotiating unit without regard to membership in, participation in, or association with the activities of the Association and/or other employee organization. The parties recognize that membership in the Association is not a requirement for employment by the District.

The exclusive recognition shall continue throughout the term of this Agreement provided, however, that any person represented by the negotiating agent may during the month of March and October of any year submit a petition to the Board signed by thirty percent (30%) of the persons represented by the negotiating agent stating that they desire to be represented by another organization or by no organization. Said petition shall request that an election be held to determine what representation, if any, the bargaining unit will have. The petition shall have stated thereon, exactly, the question before the negotiating unit.

If the Board of Education has a question regarding representation, the Board of Education, by a majority vote, may call for an election during the months of March and October.

Within thirty days of receipt of the petition by the Secretary of the Board of Education or a vote by the Board calling for an election, the Secretary shall hold a fair and impartial election to answer the question stated on the petition. To oversee the election and to assure the election is run in a fair and impartial manner, the President of the Board of Education shall appoint a six (6) member election commission consisting of two persons representing the Association, two persons representing the Board, and two persons representing the petitioners. The Association shall have the right to designate its two commission representatives. It will be the responsibility of the election commission to conduct and to certify the results of the election. The Board shall pay the cost of the election. No more than one such election shall be held in any one school year.

A majority for the purpose of the election shall be a majority of the persons voting in the election.

If recognition is lost pursuant to the process described herein, this Agreement shall expire as of the date of the election.

ARTICLE 4 - General Provisions

- 4-1 This agreement shall constitute the full and complete commitment between Westminster Public Schools and the Westminster Education Association.
- 4-2 Neither the Board nor the Association will discriminate against any employee on the basis of race, creed, color, national origin, sex, marital status, disability or membership in any Educational Support Professional Organization.
- 4-3 This Agreement may be altered, changed, added to or deleted from, or modified, only through the voluntary mutual consent of the parties in a written and signed amendment to this Agreement.
- 4-4 In the event that any provision of the Agreement is held invalid or unenforceable by a court of competent jurisdiction, no other provision of this Agreement shall be affected by such holding, and all of the remaining provisions of this Agreement shall continue in full force and effect.
- 4-5 If there is a conflict between adopted Board Policy and/or Superintendent's Policy and the terms and conditions of this negotiated Agreement, the terms and conditions of this negotiated Agreement shall control.

ARTICLE 5 - Conducting Negotiations

INTRODUCTION

The parties agree that during the 2017, 2018 and 2019 negotiations, the following steps will apply:

- 5-1 The parties will begin the process utilizing the interest-based problem solving procedure.
- 5-2 If a breakdown should occur, the Federal Mediator will be called to provide on-site assistance to move beyond the breakdown and continue the interest-based problem solving procedure. A “breakdown” occurs when either party determines that an entire Tentative Agreement has not been reached.
- 5-3 If a breakdown should occur after the Federal Mediator has been utilized, the parties agree to proceed directly to fact-finding utilizing Section 5-11 through 5-12 requesting a “fast track” by the fact finder.
- 5-4. During negotiations, the Board and the Association, through their respective negotiating teams, will make available relevant data, exchange points of view, present options, and develop standards to judge options. Upon request of either team, the other team will make available for inspection its records and data pertinent to the subject of negotiations.
- 5-5 Both parties agree to negotiate in good faith. Good faith is defined as an honest attempt to resolve issues, which arise during the negotiations process. The obligation of good faith negotiations does not compel either party to agree to a proposal or require the making of a concession.
 - 5-5-1 Either party may bring a MOU as one of its issues for negotiations in accordance with Article 21-1.
- 5-6 Either party may, if it so desires, utilize the services of consultants to assist in negotiations.
- 5-7 Negotiation sessions between the parties' respective negotiating teams shall be conducted at mutually agreeable times and locations. All negotiation sessions shall be open. The parties will agree on any communications to be released prior to fact finding.
- 5-8 The names of the members of the respective negotiating teams will be exchanged no later than at the first negotiating session. Each team will be limited to ten members including consultants. Unless otherwise agreed upon, the composition of the respective negotiating teams shall not be changed during the period of negotiations, except for extenuating circumstances such as illness or leaving the employment of the District.
- 5-9 When both teams desire that negotiations be scheduled during the school day and the Superintendent authorizes it, the members of the Association's team shall be released from their regular duties without loss of time and pay.

5-10 Tentative agreements reached during negotiations will be reduced to writing and will have conditional approval of both teams. Such conditional approval shall be acknowledged by the spokesperson initialing and dating the proposal. Tentative Agreement on individual proposals will be conditional upon the approval of an entire Tentative Agreement by both teams. When the teams reach a Tentative Agreement, it will be presented to the Association and to the Board for ratification. Upon ratification of the Tentative Agreement by the Association and thereafter by the Board, the Agreement will be executed by the appropriate officers of the parties, and will become effective in accordance with Article 19. If either the Association or the Board fails to ratify the Tentative Agreement as presented within twenty (20) calendar days of the date such Tentative Agreement was reached, the team of the party failing to ratify will promptly notify the other team. Following such notification, negotiations will resume as provided in this Article 5.

5-11 Impasse

5-11-1 If the negotiations do not result in a Tentative Agreement within twenty-eight (28) calendar days from the commencement of negotiations, the parties may agree to extend negotiations by mutual consent. Absent such consent or at the end of any such extension, the issues in dispute shall be submitted to a fact finder. If the parties are unable to agree on a fact finder, within one business day from the date an impasse has occurred, the parties will jointly request the American Arbitration Association to submit simultaneously to each party identical lists of five persons skilled in fact finding in educational matters. Each party shall cross off any names to which it objects on the list, number the remaining names in the order of its preference, and mail the list to the American Arbitration Association.

If a party does not mail the list within seven calendar days of the postmarked date of the letter with the list of fact finders from the American Arbitration Association, all persons named on such list shall be deemed acceptable.

5-11-2 From among the persons who have been approved on both lists of fact finders, and in accordance with the designated order of mutual preference, the American Arbitration Association shall appoint a fact finder.

5-11-3 If the teams fail to agree upon any of the persons named, or if for any other reason an appointment cannot be made from such lists of names, the American Arbitration Association shall appoint a fact finder from its other members without submitting additional lists.

5-11-4 Fact-finding shall be scheduled to commence within three weeks of the appointment of the fact finder.

5-12 Fact Finding

5-12-1 The fact finder will have the authority to hold hearings and make procedural rules.

5-12-2 All hearings by the fact finder shall be held in open session.

- 5-12-3 If the fact finder requests, a certified court reporter shall take a stenographic record of the hearing and copies of the transcript shall be provided to the fact finder and the teams. The costs for the stenographic record will be shared equally by the parties. Or, if the fact finder does not so request, either party may arrange for a certified court reporter to take a stenographic record of the evidence taken at the hearing. The party requesting a stenographic record shall pay the cost thereof, except that if the other party shall request a copy of any transcript, that party shall share equally the entire cost of making the stenographic record. Post hearing briefs, if any, shall be submitted within ten (10) days after the stenographic record, if any is filed.
- 5-12-4 Within 30 calendar days after the conclusion of such hearings, the submission of a transcript of the hearing, if any, or submission of post-hearing briefs, if any, whichever occurs last, the fact finder shall submit a report in writing to the teams only. The report shall set forth the fact finder's findings of fact, reasoning, and recommendations on the issues submitted. The report shall be advisory only and binding neither on the Board nor on the Association.
- 5-12-5 Within five (5) days after receiving the report of the fact finder, the teams will meet to discuss the report, which meeting is a continuation of the negotiations process. No public release of the report may be made until after the conclusion of such meeting or subsequent agreed upon meetings. At this meeting(s) each party will advise the other of its position on the Fact Finder's report and the reasons therefore. If no tentative agreement is reached on the disposition of the Fact Finder's report during those meetings, the report will be acted upon in accordance with Article 5-12-6.
- 5-12-6 The parties shall take official action on the report of the fact finder no later than ten (10) calendar days after the conclusion of the meetings described in Article 5-12-5.
- 5-12-7 The costs for the services of the fact finder, including per diem expenses, if any and actual and necessary travel expenses, shall be shared equally by the parties.

ARTICLE 6 - Conflict Resolution

The parties agree to use the following procedures, when the conflict cannot be resolved informally, to resolve conflicts that arise regarding the interpretation and/or application of this Agreement and/or Board of Education policies contained in the Educational Support Professionals Handbook. Conflicts must be reported within 15 days of the occurrence of the problem.

Step I

In the event that a conflict arises, the concerned party will raise the issue for interest-based problem solving at the lowest possible level. As soon as practical, the affected parties will meet to problem solve the conflict.

Step II

If the parties are not able to resolve the conflict, either party may request in writing that the Superintendent and WEA President designate co-facilitators to help the impacted parties use the interest-based approach to resolve the dispute.

Step III

If no agreement is reached through the use of interest-based problem solving, WEA may present the dispute in writing as a grievance directly to the Superintendent. The Superintendent, or designee, will schedule a meeting within ten (10) workdays so that the parties can attempt to resolve the grievance. The Superintendent will issue a written response within ten (10) workdays following the meeting.

Step IV

The parties agree to work together to develop language to replace Step IV and 6-1 through 6-14 for consideration at the next round of bargaining.

6-1 If the grievant is not satisfied with the disposition of the grievance at Step III, the grievant may, within five days thereafter, request the Association to submit the grievance to arbitration.

If the Association deems the grievance meritorious, it may, within seven (7) calendar days thereafter, make written demand to the Superintendent that the grievance be submitted to arbitration. Within seven (7) calendar days from the date arbitration is demanded, if the parties cannot mutually agree on an arbitrator, they will submit a request to the American Arbitration Association to submit simultaneously to each party identical lists of the names of five persons skilled in the arbitration of educational matters. Each party shall cross off any names to which it objects, number the remaining names in the order of its preference, and mail the list to the American Arbitration Association. If a party does not mail the list within seven calendar days of the postmark date, all persons named thereon shall be deemed acceptable.

- 6-2 From among the persons who have been approved on both lists and in accordance with the designated order of mutual preference, the American Arbitration Association shall appoint an arbitrator.
- 6-3 If the parties fail to agree upon any of the persons named, or if those named decline or are unable to act, or if for any other reason an appointment cannot be made from such lists of names, the American Arbitration Association shall appoint an arbitrator from its other members without submitting additional lists.
- 6-4 The arbitrator will have the authority to hold hearings and make procedural rules. The arbitrator will issue a report within a reasonable time after the close of hearings, the submission of post-hearing briefs, if any, the submission of the transcript of the hearing, if any, or, in the event oral arguments have been waived, then from the date the final statements and evidence are submitted.
- 6-5 The arbitrator's report shall be simultaneously submitted in writing to the Board and the Association only, and shall set forth the arbitrator's findings of fact reasoning, conclusion and recommendations on the grievance. The arbitrator's recommendations shall be consistent with law and with the terms of this Agreement. The report shall be advisory only and binding neither on the Board nor the Association.
- 6-6 The arbitrator's function shall be limited, after due investigation, to the interpretation and construction of the specific articles of this Agreement, or to consideration of whether a condition exists which jeopardizes an employee's health or safety.
- 6-7 If, at any time, either party disputes the arbitrability of any grievance under the terms of this Agreement, such dispute may be submitted to arbitration in accordance with the procedures established by this Article.
- 6-8 The costs for the services of the arbitrator, including per diem expenses, if any, plus actual and necessary travel and subsistence expenses, shall be shared equally by the parties, unless the arbitrator determines either party's position is frivolous or lacks any substantial justification, in which case the arbitrator may charge all costs and expenses against that party.
- 6-9 Either party may request that a certified court reporter take a stenographic record of the evidence taken at the hearing. If such stenographic record is taken, a copy of the transcript shall be provided to the arbitrator. The party requesting a stenographic record shall pay the cost thereof, except that if the other party shall request a copy of any transcript, that party shall share equally the entire cost of making the stenographic record.
- 6-10 Within five days of receipt of the arbitrator's report, representatives of the parties shall, upon request, meet to discuss the report.
- 6-11 The Board shall act on the arbitrator's report within 25 days of the meeting referred to in Article 6-10 above, or if no such meeting is held, then within 30 days of receipt of the arbitrator's report.
- 6-12 Rights of Employees to Representation

- 6-12-1 Neither the Board nor any member of the Administration will take any reprisal affecting any employee, any Association representative, nor any witnesses called by reason of such participation in this grievance procedure.
- 6-12-2 Any party in interest may be represented at any level of the grievance procedure by a person(s) of his/her own choosing, except that he/she may not be represented by a representative or officer of any Educational Support Organization other than the Association. When an employee is not represented by the Association, the Association shall have the right to be present, and to state its views at any level of the formal grievance procedure.

6-13 Miscellaneous

- 6-13-1 If a grievance is filed which might not be finally resolved at Step III prior to the end of the school year under the time limits set forth, such time limits may, by agreement of the parties, be reduced so that the grievance procedure will be concluded prior to the end of the school year, or as soon thereafter as is practicable.
- 6-13-2 All written and printed matter dealing with the processing of a grievance will be filed separately from the files of the central officer personnel grievant or any other party in interest.
- 6-13-3 To facilitate operation of the grievance procedure, necessary forms will be jointly prepared by the parties, with costs being shared equally and copies distributed to all buildings and the Association.
- 6-13-4 The parties will make available to the parties in interest pertinent information and documents not privileged under law in their possession or control which are relevant to the issue(s) raised by the grievant.
- 6-13-5 When it is necessary at Step II or Step III for a representative(s) of the Association or other employee to attend meetings or hearings held during pupil contact time, the Superintendent will notify the supervisor concerned and such personnel will be released from their regular duties without loss of pay for such time as their attendance at such meetings or hearings is required. Every effort will be made to avoid disruption of the regular school day.
- 6-13-6 The Association may call upon the professional services of legal counsel, the Colorado Education Association, or the National Education Association at Steps III or IV of this grievance procedure.
- 6-13-7 Should any employee elect to pursue any legal or statutory remedy for any alleged breach of any adopted policy of the Board, or any alleged violation of his/her rights under this Agreement, such election will bar any further or subsequent proceedings for relief under this Agreement.

6-14 Superintendent Grievance

- 6-14-1 The provisions of Steps I, II, and III of this Agreement shall not apply to grievances filed by the Superintendent.
- 6-14-2 Before filing a grievance under this Article the Superintendent shall first attempt to meet with the Association President to discuss the subject of the grievance.
- 6-14-3 Within seven (7) calendar days after meeting with the Association President, or if no meeting occurs, within fifteen (15) days after the Superintendent knows of the events giving rise to the grievance, the Superintendent may file a written grievance with the Association President.
- 6-14-4 Designated representatives of the Association and the Superintendent shall meet to discuss each grievance filed by the District within 10 days after the grievance is filed. Within 5 days after such meeting the Association shall provide the District with a written statement setting forth its position on the grievance.

ARTICLE 7 - Transfers

- 7-1 Transfer shall mean the full-time relocation from one building site to another building site. Openings of less than one year shall be filled on an interim basis and shall not be subject to the provisions of this Article for the following year. Requests for transfer shall be considered on the basis of qualifications for the position desired. In filling a vacancy, the District will take into account the program needs of the District and will consider, among other things:
1. The skills desired for the position;
 2. The employee's experience, including length of service in the District and the most recent work experience;
 3. The employee's educational preparation and training; and
 4. The employee's job performance while employed by the District.
- 7-2 Announcement of vacancies will be posted promptly in all buildings as they occur except during periods when school is not in session. Such announcements will include the name of the school where the vacancy exists. During such periods, vacancies will be posted in the District Human Resources Office. Employees will have at least five (5) days to respond to an announcement of a vacancy. During the summer months vacancies will be announced on the school district website. Every effort will be made to post vacancies for new schools prior to the end of March.
- 7-3 The employee requesting a transfer may state in writing the specific position(s) desired and the employee's qualification for such position(s). If the employee believes special circumstances exist which should be brought to the attention of the Chief Human Resources Officer, such circumstances should be indicated with the request for a transfer.
- 7-4 Whenever possible, the District will interview at least three qualified employees who have filed a Request for Transfer to a vacant position. However, the School District shall in no way be limited in the number of applicants that it may interview for any vacancy.
- 7-5 Evaluative information, other than that contained in personnel files of those employees under consideration, shall not be solicited from any source unless the information is requested with the knowledge of the employee seeking the transfer.
- 7-6 Applicants for transfer shall be notified of the employee selected. In the event that an applicant, who was granted an interview, so desires, to know the reasons for non-selection, the applicant may make written request to the Chief Human Resources Officer to ascertain the reasons why the applicant was not selected for the vacancy.
The Chief Human Resources Officer, or designee, shall make a written reply to the applicant stating the reasons why the applicant was not selected for the vacancy.
- 7-7 The Chief Human Resources Officer will make every effort to process requests for transfer prior to hiring new employees.

- 7-8 Employees selected for involuntary transfer that are requested by the Administration shall be notified of the involuntary transfer 30 days prior the date of transfer, whenever possible. In the event that an employee, who was involuntarily transferred, desires to know the reasons for the transfer, the employee may make written request to the Chief Human Resources Officer to ascertain the reasons why the employee was selected for involuntary transfer. The Chief Human Resources Officer, or designee, shall make a written reply to the employee stating the reasons why the employee was selected for involuntary transfer.
- 7-8-1 Whenever possible, employees who have been involuntarily transferred within the previous four (4) years will not be considered for involuntary transfer.
- 7-8-2 Involuntary transfers will be made for sound educational reasons or in the best interests of the District, in the District's discretion.
- 7-8-3 When an employee is transferred involuntarily, the employee shall remain in the same job classification if an opening exists in the employee's former job classification.

ARTICLE 8 - Disciplinary Actions

- 8-1 Employees will be provided with written notice of charges or complaints prior to action being taken.
- 8-2 No non-probationary employees will be disciplined without just cause. Probationary status is defined by Board policy.

ARTICLE 9 - Reduction in Force

- 9-1 If the Board of Education is going to consider the reduction in the number of positions within the bargaining unit, it shall first notify WEA of its desire to explore such a reduction. WEA and District representatives shall meet within ten (10) days of such notification to discuss the potential reduction in force. The parties will explore the need for the reduction and any alternatives.
- 9-2 In the event the Board decides to move ahead with the implementation of a reduction in force, the Board may institute a reduction in force in any department or division when it deems it necessary. In the event that a reduction in the number of positions within a given department or division is necessary, the District shall provide thirty (30) days written notice to the affected employees.
- 9-3 Normal attrition, volunteers, and probationary staff shall be considered prior to any staff reductions, after which staff reductions shall be based on job performance and length of service with the District.
- 9-4 Employees who are separated as the result of a reduction in force shall be placed on a layoff list, which shall be maintained by the District; and such employees shall have a right to recall to the position they previously held if such positions become available for the period of eighteen (18) months from the date of layoff.
- 9-5 Notices of recall shall be sent by certified or registered mail to the last known address shown on the District records. The recall notice shall state the time and date on which the employee is to report back to work. It shall be the responsibility of the laid off employee to keep the District notified of his/her current address. A recalled employee shall be given three (3) working days from receipt of notice to accept the position and fourteen (14) calendar days to report to work. Failure to report within the specified timeframe shall result in loss of any recall rights.
- 9-6 Length of Service: An employee's length of service date shall be defined as the date designated on the Board action item approving them as an employee of the District. Length of service will be considered broken when an employee terminates her/his employment with District 50 for any reason. Approved leaves of absence and involuntary interruptions of less than ninety (90) days will not be considered a break in service. In the event two or more employees share the same length of service date, length of service will be determined by lottery.

ARTICLE 10 - Personnel Files

- 10-1 Except for confidential references given prior to the beginning of employment, an employee, upon request, shall have the right to review the contents of the employee's permanent personnel file maintained at the District's Administration Building, and to make copies of any documents contained in such file at the employee's own expense.
- 10-2 No material derogatory to an employee's conduct, service, character or personality shall be placed in such file unless the employee has been given the opportunity to review such material. The employee will acknowledge that the opportunity to review such material has been given by signing the material to be placed in such file. The parties understand and agree that the signature merely means that the employee has read such material and does not mean that the employee necessarily agrees with the statements contained in such materials.
- 10-2-1 The employee shall have the right to file a written reply to such materials within twenty (20) work days of the date on which the employee was given the opportunity to review such material. Such reply may be reviewed by the Superintendent, or the Superintendent's designee, and shall be attached to the material to which it pertains. No anonymous complaints shall be placed in an employee's personnel file.

ARTICLE 11 - Liability Insurance Coverage

11-1 When a civil claim is made or a civil action commenced against an employee for injury (i.e., death, injury to a person, damage to or loss of property of whatsoever kind, which would be actionable in tort) caused by an act or omission of such employee during the performance of such employee's duties and within the scope of such employee's employment, except where such act or omission is willful or wanton, the District will provide liability insurance coverage for such employee in an amount not less than \$100,000. And, under such circumstances the employee may request the District, or its liability insurance carrier, to furnish legal counsel to defend such claim or action.

ARTICLE 12 - Personal Injury Leave

- 12-1 Employees temporarily absent from work and unable to perform their normal duties as a result of personal injury arising out of and incurred in the course of their employment by the District, and not as a result of their own negligence or disobedience of reasonable rules and regulations, shall be granted personal injury leave of up to 45 days with full pay, less the amount of any Workman's Compensation payment benefits, or awards made for temporary disabilities due to said injury. No part of such leave will be charged against the employee's cumulative leave.
- 12-2 The District and/or the District's insurance carrier shall be subrogated to the claims of such employee against any third person or persons for the amount of benefits paid by the District.
- 12-3 If an employee incurs a personal injury arising out of and incurred in the course of such employee's employment by the District, and not as a result of such employee's own negligence or disobedience of reasonable rules and regulations, and such injury is compensated by no-fault insurance for the first three days of such injury, and for which the District's Workman's Compensation insurance carrier makes no payments, the employee shall not be granted personal injury leave for those three days unless the employee assigns any such payment to the District.

ARTICLE 13 - Bereavement Leave

- 13-1 Bereavement leave of up to three (3) days shall be granted to an employee who has a death in the immediate family. Such bereavement leave may be extended by up to an additional two (2) days for a total maximum of five (5) days, and any such additional time shall be charged as follows: one-half (1/2) to the employee's available cumulative leave, or if not available, as leave without pay, and one-half (1/2) paid by the District. For further clarification, "immediate family" means a spouse, sibling, parent, child, grandparent, mother-in-law, father-in-law, brother-in-law, or sister-in-law, or for someone whose relationship with the employee is similar.

ARTICLE 14 - Personal Property

14-1 In the event an employee, while acting within the scope of the employee's employment, has his/her personal effects such as clothing, glasses or jewelry, damaged or destroyed as a result of an attack, assault, or pupil supervision problem, the District will, under District procedures, reimburse the employee for the cost of repair or reasonable replacement, provided such damage or destruction is not the result of the employee's negligence.

14-2 Stolen and Vandalized Property

14-2-1 A fund will be created by a one-time payment of \$5,000.00 by the School District and a voluntary annual contribution of \$5.00 from each participating employee. A participating employee who has personal property stolen or vandalized during working hours on School District property, through no fault of the participating employee, may apply for reimbursement from the fund for replacement or repair of the property up to a maximum of \$250.00 or the participating employee's insurance deductible, whichever is less, provided the participating employee files a police report on the damaged or stolen item within 24 hours of such occurrence. The District will develop guidelines for application and approval of requests for reimbursement.

14-2-2 The District will investigate the availability of insurance programs, premium paid by employees, to cover stolen and vandalized property.

ARTICLE 15 - Association Rights

- 15-1 During the term of office, the Board will grant the president of the Association released time on a half time or full-time basis from District responsibilities without penalty as to placement on the salary schedule, PERA coverage, fringe benefits or specific job assignments. The Association will reimburse the District for the salary, benefits, and PERA costs of the president.
- 15-2 The Association will notify the District not later than May 1 of each year of its plan for released time for the president for the next school year. If the Association fails to notify the District by May 1, the Association president may not be granted released time for the next school year.
- 15-2-1 The Association shall receive annual credit toward the cost of salary, benefits, and PERA of the Association President during the release time provided in section 15-2 for the equivalent of \$50.00 multiplied by the total number of ESP in the bargaining unit.
- 15-3 While the president of the Association continues as an employee of the District during the released time provided for in this Article, the Association president is responsible and accountable to the Association. The president will discharge Association duties in a manner compatible with the regular schedule of normal ongoing school activities.
- 15-4 The District will select and employ any needed replacement for the president.
- 15-5 The Association shall be entitled to up to three hundred eighty (380) hours of release time during each school year provided the Association pays the cost of the substitute employee at the appropriate daily cum leave payoff amount. While the use of this time shall be determined by the Association, whenever possible, a request must be made in writing to the District at least five (5) days prior to the utilization of any such time specifying the day or days on which the time will be utilized, the employee(s) to be released, and such request shall be approved by the Chief Human Resources Officer.
- 15-6 The president, the president's designee, and the Association's UniServ Director(s) shall have the right to visit any work site on the condition that they give advance notice to the supervisor's office of such visit. Visits that are made to solve special problems of employees shall not interrupt the normal work schedule or disrupt the workday and will be scheduled before or after the normal workday.
- 15-7 The Association, or its designated staff representatives, shall have the use of school meeting rooms without cost on any day when requested through the Superintendent, or the Superintendent's designee, and where prior reservation of such meeting rooms has not been made by and granted to others. Such permission is not transferable and shall be revocable upon due notice.
- 15-8 The Association, or its designated faculty representatives, shall have the right to place notices, circulars, and other materials relevant to Association business on staff lounge bulletin boards and in employees' mail boxes on the condition that a copy of such materials be given to the supervisor prior to such placement.

15-9 The Association shall be permitted to use the District's regularly scheduled daily school mail delivery service.

ARTICLE 16 - Dues Deduction

- 16-1 The District agrees to deduct from employees' salaries amounts sufficient to pay the annual dues of the Association, the Colorado Education Association and the National Education Association, which have been requested in writing by individual employees. The amounts to be deducted will be certified by the Association to the District. The District further agrees to transmit all such amounts to the Association on a regular monthly basis.
- 16-2 In the event that a clerical error is made by the District in making the deductions referred to in Article 16-1, or with respect to salary, fringe benefits or other payroll deductions, such error shall immediately be brought to the attention of the Chief Human Resources Officer. In such event, efforts shall be made by the District and the employee to remedy such error in a mutually agreeable manner.
- 16-3 The Association shall indemnify and hold the District harmless from any and all claims, demands, suits, and costs incurred in connection with any such claim, demand or suit, resulting from any reasonable action taken or omitted by the District for the purpose of complying with the provisions of this Article.

ARTICLE 17 - Compensation

17-1 Salary Schedule

The 2016-2017 salary schedule is contained in Appendix A, which reflects a 1.2% cost of living adjustment and a \$0.25 increase per cell for the 2016-2017 school year.

17-2 A longevity increment of \$1,000 will be paid in a lump sum by separate check in the month following the completion of 16 years of continuous service in the District. The effective date for calculation of the 16 years of continuous service is the employee's date of hire as approved by the Board of Education. Breaks in service are governed by the provision of Article 9-6.

17-3 Cumulative Leave Days: Each February Educational Support Professionals shall receive, in addition to regular pay and benefits, payment at a daily rate for all cumulative days accrued but not used by the employee the preceding year. Employees who work part-time will receive payment on a pro-rata basis. Unused cumulative leave rates in effect as of July 1, 2004:

INST01	\$40
INST02	\$44
INST03	\$50
NONINST01	\$35
NONINST02	\$43
NONINST03	\$46
NONINST04	\$52
NONINST05	\$60
AUXTECH01 to 1.1	\$37
AUXTECH02	\$44
AUXTECH03 to 3.1	\$46
AUXTECH04 to 4.3	\$58
AUXTECH05	\$72

17-4 Employees will advance one vertical step on August 1 in the 2016-2017 school year provided they are not currently evaluated as overall unsatisfactory. In such cases the employee will receive a subsequent evaluative rating within 40 to 60 work days. If the employee's overall rating is no longer unsatisfactory in a subsequent evaluation, the employee will be granted his/her vertical step, not retroactively, effective on the following pay period. Evaluative rating will be based on the criteria in the ESP Performance Appraisal Evaluation instrument and will be supported by observations or other evidence. Prior to rating an employee unsatisfactory, the evaluator must, to the extent possible, have advised the employee of any perceived deficiencies and provided the employee with a reasonable amount of time to improve.

17-5 Promotions/Transfers

Employees who are promoted or transfer to a higher classification will be paid at the same step in the new column.

17-6 Involuntary Transfers

Employees who are involuntarily transferred into a classification with a lower pay range will continue to be paid at their same hourly rate for up to one school year. Thereafter, the employee will be paid in accordance with the range for the classification.

17-7 Classification Committee

The District will establish a joint committee to review the classification system. One third of the system will be evaluated each year. WEA will appoint the ESP members on this committee. This committee will also hear appeals from individuals each fall who believe their position should be reclassified.

17-8 New Hires

New employees to the District will, whenever possible, be placed no higher than step 8. New employees may be placed above step 8 if their position is hard to fill.

17-9 Class Coverage

When an employee is assigned or covers for a teacher or a class, the employee will receive, in addition to his/her regular rate of pay, \$4.00 per hour for the time spent in such coverage.

17-10 Vacation

Full time 12 month employees will earn vacation as follows:

Years 1-5

A full-time 12-month Educational Support Professional will earn 10 days of vacation in the first year of employment, to be taken prior to the end of his/her second year of employment.

Years 6-11

A full-time 12-month Educational Support Professional in the sixth year of employment will earn 15 days of vacation to be taken prior to the end of his/her seventh year of employment.

12 of more years

A full-time 12-month (260 day) Educational Support Professional in his/her 12th year of employment will earn 20 days of vacation to be taken prior to the end of his/her 13th year of employment.

Vacation days are prorated by the employee's anniversary date. As an example, an employee earns his/her vacation the first year to be used the following year. Since vacation days are earned from January 1st to December 31st, an employee with an anniversary date of August 1st will earn vacation days for five months worked. This is five months x 5/6 days = 4.17 days or four vacation days. The four vacation days can be taken from January 1 to December 31 of the following year.

Requests for vacation should be submitted to an employee's supervisor and will be scheduled to avoid conflicts.

Vacation days may not be carried over to the next year unless the superintendent gives approval.

Employees who transfer from nine, ten, or eleven-month positions will receive vacation on a pro-rated basis.

17-11 Attendance Incentive Pilot Program

All employees who have perfect attendance during the 2016-2017 school year shall receive a one-time stipend of \$500.00.

ARTICLE 18 - Insurance

18-1 Hospital and Medical Insurance

18-1-1 Effective January 1, 2017, the District will pay full individual premium cost of the current hospital and medical insurance program for each employee up to a maximum of \$580.84 per month. The District will offer a Section 125 type plan.

18-1-2 If an employee and a spouse are both employed by the district, the district will pay a maximum of \$1,161.68 per month per couple toward family coverage.

18-2 Life Insurance

18-2-1 The District will pay the full cost of the mandatory life and disability program. The mandatory life insurance shall provide \$1,000 coverage for each \$1,000 of each employee's salary. The amount of the coverage shall be rounded to the nearest \$1,000.

18-3 Dental Insurance

18-3-1 Effective January 1, 2017, the District will pay the premium cost for individual coverage in a dental insurance plan approved by the School District up to a maximum of \$31.94 per month.

18-4 Benefit Changes

18-4-1 No changes in the benefit portion of the current insurance program will occur without prior consultation with the District Insurance Committee.

ARTICLE 19 - Working Conditions

19-1 Paydays

Regular full-time employees will be paid in twelve equal installments, usually on the last working day of each month. Should scheduling of computer time or other problems interfere with this practice, salary checks will be issued as close as possible to the last working day of the month.

19-2 Classified Work Week

For purposes of definition, each workweek begins at 12:01 a.m. each Monday. The workweek for employees who regularly work eight (8) hours per day will be forty (40) hours. All ESP employees shall be paid overtime at the rate of one and one-half times the employee's regular rate of pay only for hours over 40 actual hours worked in a workweek. Paid bereavement leave shall be counted as hours worked for purposes of calculating overtime. An employee may, prior to working hours over 40, request an exception whereby paid leave (other than bereavement leave) would count toward actual hours worked for calculation of overtime, but such exception must be approved in advance of the time worked by the Division Executive Director and Chief Human Resources Officer.

19-3 Classified Workday

The workday for full-time classified employees will be eight (8) hours, inclusive of a fifteen (15) minute break for each four (4) hour period, but exclusive of a thirty-minute lunch period. Employees who work more than four (4) consecutive hours will also be entitled to a fifteen (15) minute break for every four (4) hours worked.

19-4 Short-term Involuntary Assignments

The District agrees that it will take reasonable steps to seek volunteers prior to making an involuntary assignment. When a short-term involuntary or voluntary assignment is made, mileage between sites will be paid pursuant to Article 19-5.

19-5 Mileage

Employees who are required to travel between worksites will be paid mileage according to the rate established by the Internal Revenue Service (I.R.S.).

19-6 Student Supervision

Buildings will develop guidelines for coverage of staffing and unexpected situations.

- 19-7 There will be a collaborative meeting within each department to set down the parameters for the use of flexible schedules during summer months. Each work site shall consider options for flexible hours for that work site, if possible. Any flexible schedule for the summer months will commence with the summer of 2004. Employees will be given adequate notice when the Association and the District agree on such matters.
- 19-8 Using data/feedback from the ESP Evaluation Committee, the ESP probationary period has been reduced from two years to one year. Effective May 30, 2007, any ESP employee who has been with the District for one year or more will be considered non-probationary.
- 19-9 Employees will be notified of their date of assignment, insofar as possible, no later than May 15 of each year. If this is not possible, the employee will be notified by May 15 when to expect the notification.
- 19-10 Any non-probationary Educational Support Professional who is rehired by the District within one year from the date of separation because of permanent restrictions as a result of on-the-job injury shall retain his/her original seniority date.
- 19-11 When an employee is assigned by his/her supervisor and fulfills the duties and responsibilities of a higher classification the employee will be paid at the higher classification rate after three (3) consecutive days of performing the job duties and responsibilities. The higher rate of pay will be retroactive to the first day working in the higher classification.
- 19-12 To the extent possible, the District will communicate with and involve Westminster Education Association (WEA) when it is seriously considering contracting out work currently performed by Educational Support Professionals (ESP) as soon as possible, and WEA will have an opportunity to review and discuss the matter with the District prior to the formal decision by the Board of Education.
- 19-13 Whenever possible, the District and the WEA shall provide professional development jointly, including, but not limited to, topics related to Federal and state statutes and regulations.
- 19-14 Whenever possible, the District shall provide professional development.
- 19-15 Whenever possible, WEA will provide information to employees regarding ESP professional development opportunities available through the WEA.
- 19-16 Evaluation

The District and the Association recognize that evaluation is a system of appraisal of the overall effectiveness of the employee's effort according to predetermined criteria. Its main purpose is to facilitate professional growth. The District and the Association recognize that the evaluation process can be a source of growth for the employee and agree that the evaluation process shall contain the following characteristics and rights:

- 19-16-1 The purpose of the ESP employee evaluation is to improve the employee's effectiveness and competence.
- 19-16-2 Evaluation is considered by the employee and the administrator as a positive process and is entered by both in a spirit of cooperation.
- 19-16-3 The evaluation process will be discussed by the administrator with the employee so that the employee is aware of the procedures to be followed, their purpose, the documents to be used and the persons who will be involved in the process.
- 19-16-4 The evaluation is not considered by the District or the Association as disciplinary in nature.
- 19-16-5 A copy of the evaluation shall be given to the employee and the employee shall have an opportunity to read it and make any written response the employee wishes before it is placed in the employee's personnel file. Any written response shall also be placed in the personnel file. The signature of the employee on the evaluation is an acknowledgment that the employee read the evaluation.
- 19-16-6 Whenever the District institutes an intervention plan for an employee, the employee may request that the Association be informed of such action, and request the Association to provide assistance to the employee.
- 19-16-7 Written notice shall be provided to the employee at the earliest possible time when performance is considered to be below District standards.
- 19-16-8 The procedures to be followed in the evaluation process shall be subject to the grievance procedure.

ARTICLE 20 - Classified Advisory Committee

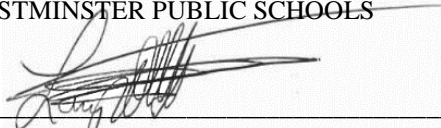

- 20-1 At the option of the ESP staff in each building/worksite, a Classified Advisory Committee may be elected for such building/worksite.
- 20-2 The purpose of the Committee is to advise the building/worksite administrator in providing the best possible work environment for such building/worksite.
- 20-3 The Committee may schedule such meetings as it deems advisable after consulting with the principal/administrator provided that the meeting contemplated is not conflicting with meetings that have already been scheduled and which require the attendance of those on the Committee, is held outside normal work hours, and attendance is voluntary.
- 20-4 When the Classified Advisory Committee makes a recommendation to the principal/administrator orally or in writing, he/she shall respond to the recommendation in kind.

ARTICLE 21 - Term of Agreement/Interim Negotiations

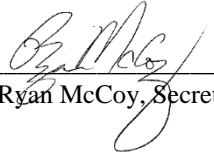

- 21-1 This Agreement shall become effective on July 1, 2016 and shall remain in effect until June 30, 2019.
- 21-1-1 In 2017, the Negotiations shall begin on February 1st and include economic issues of salary and insurance and any other issues which are mutually agreed upon by the parties.
- 21-1-2 In 2018, the Negotiations shall begin on February 1st and include economic issues of salary and insurance, two issues other than salary and insurance from each side, and any other issues which are mutually agreed upon by the parties.
- 21-1-3 In 2019, the Negotiations shall begin on January 1st and include all articles of the contract.
- 21-2 (The parties agree this section will not apply when interest-based problem solving is utilized.) The parties agree that the party requesting the reopening of negotiations in any year must submit all of its proposals prior to January 1 of such year. In the event that the request for reopening negotiations and the proposals are not submitted prior to January 1, the parties shall not be required to negotiate for such calendar year.
- 21-3 The parties recognize that from time to time officials of the Board and the Association meet to discuss common concerns. The parties agree that these discussions will not be regarded as negotiations, as this contract represents the full and complete collective bargaining agreement between the parties.
- 21-4 Printing of Agreement. The new Agreement will be available on and may be electronically downloaded from the District website. Staff members may download the Agreement and print it at the worksite. A hard copy of the Agreement will be available for review at each worksite.
- 21-5 Following the expiration of this contract, the parties agree that cancellation of the contract may be made by either party with the effective date of cancellation occurring after ten teacher work days following written notification by one party to the other party.

IN WITNESS WHEREOF, the parties have executed this Agreement the day and year first above written.

Applications will be submitted to the immediate supervisor in advance and forwarded to the Human Resources Department for approval or rejection.

Westminster Public Schools joined PERA in January of 1952. All District employees are covered by the PERA Act.

Each employee contributes eight percent of his or her adjusted gross income to the PERA retirement plan. Westminster Public Schools additionally contributes funds pursuant to PERA Employer rates based on the adjusted gross income for each employee in the plan. All contributions are forwarded to the Public Employees Retirement Association.

Any employee who terminates employment with the District may withdraw his or her accumulated individual contribution, not including the District's contributions, upon application to PERA. Any employee who is considering retiring from and/or terminating employment with the District is encouraged to discuss their options with a PERA counselor.

Additionally, any employee of the District who is considered to be "vested" in the PERA system and becomes disabled may be entitled to receive benefits through the PERA Act. For further information on disability benefits, please contact the Human Resources Department.

LONG-TERM DISABILITY INSURANCE

Westminster Public Schools provides long-term disability coverage to employees through The Hartford Insurance Company.

The District pays the premium costs for eligible employees during the coverage period. All employees who work at least 30 hours per week are eligible to receive long-term disability insurance paid by the

District. After 90 days of disability, this insurance will pay up to 66% of his/her monthly salary to a maximum of \$1,500. Coordination of benefits applies if there are other sources of disability income.

Upon completion of five years of service to the District, an employee is eligible to be included in the disability plan provided by the Public Employees' Retirement Association (PERA). For further information concerning the District's long-term disability plan and/or PERA disability plan, please contact the Human Resources Department.

HEALTH CARE POLICIES

Employees may elect to participate in a group health insurance plan and may choose from one provider, Kaiser Permanente. The District will pay the full individual premium cost of the current hospital and medical insurance program for each full-time employee, up to a maximum of **\$556.63** per month.

Adjustments to health care elections can be made within 31 days of a qualifying event. Qualifying events include:

- Marriage
- Divorce
- Birth/Adoption of child
- Death of spouse/child
- Change in spouse's employment status

Changes that are not based on a qualifying event can only be made during the annual Open Enrollment period.

**The Health Care benefit year runs from January 1 – December 31.
The next Health Care Open Enrollment will commence in the fall.**

It is the employee's responsibility to notify the District when dependents lose eligibility. No changes will be made to health or dental enrollment elections or payroll deductions without the required forms submitted to Human Resources. These forms will be processed upon receipt, not retroactively.

CAFETERIA 125 PLAN

The Board of Education has made available to employees of the District an Internal Revenue Code approved Cafeteria 125 Plan through Planned Benefit Systems. The flexible benefit plan allows an employee to take advantage of federal laws that permit qualified health, dental and dependent day care expenses to be paid with pre-tax dollars. This would include expenses for District-approved health and dental insurance premiums. An employee's contributions into a flexible benefit plan are not subject to federal and state income tax. This benefit is designed to provide tax savings to employees. Flexible spending plans can help employees to manage their health care and dependent care expenses and provide tax savings. However, there are important Internal Revenue Service (IRS) limits and regulations. Please contact Human Resources for detailed information about these plans.

Adjustments to Cafeteria 125 Plan elections can be made within 31 days of a qualifying event. Qualifying events include:

- Marriage
- Divorce
- Birth/Adoption of child
- Death of spouse/child
- Change in spouse's employment status

The Cafeteria 125 plan year runs from January 1 – December 31.

Funds contributed to this account will be forfeited if not used by the end of the year.

All payroll deductions are automatically taken on a pre-tax basis unless the employee elects otherwise.

Open Enrollment for the 2017 Cafeteria 125 Plan will commence in the fall.

Employees who have questions regarding the Cafeteria 125 Plan available to the District should contact the Human Resources Department for more information.

FLEXIBLE SPENDING CARD

Through 24 Hour Flex, the District is offering employees the opportunity to participate in a flexible spending account. The employee is issued a credit card that contains an available balance equal to the amount the employee has selected for medical spending through the 125 Plan described above. This card can be used to pay for qualified medical related expenses directly (doctor office co-pays, dental expenses, prescriptions, etc.) and in most cases, avoids the need to submit receipts for reimbursement. Employees who have questions regarding the flexible spending card should contact the Human Resources Department for more information.

DENTAL CARE

Westminster Public Schools belongs to the Delta Dental Care Plan of Colorado. All full-time employees are eligible to participate. The District will pay **\$31.94** per month toward the premiums under this plan.

Annually on the group anniversary, any employee currently enrolled in the plan may add or drop dependents during the open enrollment period. Dependents added without a qualifying event and during this open enrollment period will be considered "Late Enrollee" and waiting periods will apply to those dependents. Late enrollees are subject to a 12-month waiting period in which premiums will be deducted and preventative and diagnostic services only will be available under the plan. It is the employee's responsibility to notify the District when dependents lose eligibility. No changes will be made to health or dental enrollment elections or payroll deductions without the required forms submitted to Human Resources. These forms will be processed upon receipt, not retroactively.

Contributions are made to Medicare by both the employer and employee. Westminster Public Schools contributes **1.45 percent** of the adjusted gross monthly salary to Medicare on behalf of the employee. Additionally, the employee is responsible to pay **1.45 percent** of their gross salary as their Medicare contribution. These contributions are credited to the individual's Federal Social Security/Medicare account. Employees hired prior to March 31, 1986, are not eligible for the Medicare plan. Individuals wanting more information on Medicare benefits should contact the Human Resources Department.

LIFE INSURANCE AND ACCIDENTAL DEATH AND DISMEMBERMENT

Westminster Public Schools provides a life insurance and accidental death and dismemberment policy for each of its employees through The Hartford Insurance Company. The face value of the policy is based on 100 percent of the individual's basic annual salary calculated to the nearest multiple of \$1,000.

For example, if the employee earns \$13,700 annually, the policy amount is \$14,000. The District pays the entire cost of the premium for the employee.

For further information concerning The Hartford Life and Casualty Life Insurance and Accidental Death and Dismemberment insurance, please contact the Human Resources Department.

HOLIDAYS

Full-time 12-month ESP's will be granted the following paid holidays:

- New Year's Eve Day
- New Year's Day
- Martin Luther King Day
- Friday of Spring Intermission
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- The Friday following Thanksgiving
- Christmas Eve Day
- Christmas
- Birthday Holiday*/Floating Holiday

*The Birthday Holiday is granted during the first year of employment according to the Board of Education approved anniversary hire date. ESP's who work nine, ten, or 11-month positions will be granted **one** paid Birthday Holiday per year.

To qualify for a paid holiday, an ESP must have worked the preceding and succeeding scheduled workdays, or have been collecting workers' compensation benefits or vacation/cumulative days.

Upon completion of 15 years of service 12 month employees will earn one additional floating holiday to be

used in the 16th year of service. Upon completion of 20 years of service, an employee will earn one more additional floating holiday to be used in the 21st year of service. In summary, an employee who is in his/her 21st year of service, will have a total of 12 paid holidays, one birthday holiday and two additional floating holidays. All holidays are non-accumulating into subsequent years.

EMPLOYEE VACATION

Full-time 12-month ESP's earns 10/12's (10 days for a complete 12-month employment period) of a vacation day per month in their first through their fifth year, to be taken in the subsequent year. In the sixth and succeeding year, employees earn 15/12's (15 days for a complete 12-month employment period) of a vacation day per month to be taken in the subsequent year. In the 12th year of service ESP's will earn 20 days of vacation to be taken in the subsequent year.

Vacation days are prorated by the employee's anniversary date. As an example, an employee earns their vacation the first year to be used the following year. Since vacation days are earned from January 1st to December 31st, an employee with an anniversary date of August 1st will earn vacation days for five months worked. This is five months x 5/6 days = 4.17 days or four vacation days. The four vacation days can be taken from January 1 to December 31 of the following year.

A full-time 12-month ESP will earn 10 days of vacation in the first year of employment, to be taken prior to the end of their second year of employment. A full-time 12-month ESP in their sixth year of employment will earn 15 days of vacation to be taken prior to the end of their seventh year of employment.

Requests for vacation should be submitted to an employee's supervisor and will be scheduled to avoid conflicts.

Vacation days may not be carried over to the next year unless the superintendent gives approval.

Employees who transfer from nine, ten, or 11-month positions will receive vacation on a pro-rated basis.

ABSENCES

When an employee must be absent from work, the employee shall inform the appropriate supervisor and/or the District as early as possible, preferably 24 hours in advance according to procedure. Early notification facilitates the acquisition of a substitute when appropriate.

Available Leaves, number 1b, 2c and 2d, must be taken at one time and entitlement expires at a 12-month period from the date of the birth or placement of the child.

A "serious health condition" means an illness, injury, impairment, or physical or mental condition that involves 1) inpatient care in hospital, hospice or a residential medical care facility; or 2) continuing treatment by a health care provider.

Application for Leave-of-Absence: If the need for a leave-of-absence is foreseeable, an employee must notify the District of their request 30 days in advance. Otherwise, notice is required as soon as practicable. If the leave is foreseeable based on a planned medical need, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt job performance.

An employee requesting FMLA leave must complete a "Leave-of-Absence Application Packet" and provide appropriate documentation, as may be requested, to verify his/her reason for the leave. Any request for a leave-of-absence based on a serious health condition, whether it involves the employee or a family member, must be made in a timely manner and be supported by appropriate medical certification. Documentation and verification confirming family relationship, adoption, or foster care may be required. Incomplete applications may/will not be processed.

If the leave is for an employee's health condition, the medical certificate must specify that the employee is unable to perform the functions of his or her job, and must state the duration of such work restriction. If the leave is because of the health condition of a family member, the medical statement must specify that the employee is needed to care for the family member. In all cases of leave for serious health conditions, the District reserves the right to request a second medical opinion at the District's discretion and expense.

Length of Leave: Each eligible employee may be granted an unpaid FMLA leave for a period up to 12 calendar weeks during a 12-month period. The 12-month period is measured forward from the date an employee's first FMLA leave begins. In situations where both spouses work for the District, the spouses are limited to 12 weeks of leave in total during this 12-month period, unless the serious health condition of the employee or that of the employee's spouse or child necessitates the leave.

Employees may use any available unused paid time off (e.g., Cumulative Leave, vacation, etc.) as part of FMLA leave for the employee's own serious health condition. Paid time off is counted on a day for day basis as part of the available FMLA leave. Vacation, holidays, and sick leave will not accrue during unpaid FMLA leave.

Benefits During Leave: An employee on FMLA leave will be continued on the District's health plans in the same manner as active employees except that the employee must make arrangements with the District for payment of the employee's share of premiums.

In the event that an employee fails to return from FMLA leave, the employee will be liable for the premiums paid by the District to maintain insurance coverage unless the employee's failure to return to work is due to: 1) the continuation, recurrence, or onset of a serious health condition of the employee or a family member, or 2) circumstances beyond the control of the employee.

Return from Leave: An employee, upon returning from FMLA leave, will be reinstated to the same or an equivalent position subject to the rules of the Family and Medical Leave Act of 1993. Medical certification may be required verifying an employee's ability to return to work from FMLA leave for the employee's health condition. Failure to return to work on the day after the expiration of FMLA leave may result in termination of employment.

By December 15th of each year, any ESP who wishes to accumulate such days shall designate in writing the number of unused days to be carried over into the next year. ESP employees shall not be paid pursuant to Section 2.0 for days so designated.

BEREAVEMENT LEAVE

Employees working the same number of hours per day, five days a week, qualify for Bereavement Leave.

Bereavement Leave of up to three days shall be granted to an employee who has a death in the immediate family. "Immediate family" means an employee's spouse, parents, parents-in-law, sisters and brothers-in-law, children, siblings, and grandparents or for someone whose relationship with the employee is similar.

Effective July 1, 2004, Bereavement Leave may be extended by up to an additional two days for a total maximum of five days and any such additional time shall be charged as follows: one-half to the employee's available Cumulative Leave or if not available, as leave without pay and one-half paid by the District.

SICK LEAVE BANK

The Board of Education for Westminster Public Schools has established a Sick Leave Bank that is available to all full-time employees. The Sick Leave Bank provides employees with continuous payment while absent from work due to a serious illness or injury. Participation in the Sick Leave Bank is voluntary.

ESP employees who wish to join the Sick Leave Bank will contribute two Cumulative Leave days from their own account in their first year of membership and one day in their second year of membership.

Additional assessments are made when the balance in the Sick Leave Bank falls below 250 days. Employees may cancel their membership by providing a written cancellation notice to Human Resources. Days contributed are non-refundable.

Employees with approval to use the Sick Leave Bank must utilize 15 consecutive days of their own Cumulative Leave or days without pay prior to becoming eligible to draw up to 36 days from the bank. Family Medical Leave Act (FMLA) will run concurrently with the Sick Leave Bank.

Unless the Insurance Committee approves a waiver, an employee is not eligible for Sick Leave Bank until they have accumulated enough days to cover the required donation.

The next Sick Leave Bank open enrollment period for changes and/or new enrollments will commence in the fall.

CIVIC DUTY LEAVE

An ESP employee shall be granted leave with pay upon presentation of a Juror's Summons or subpoena in a case. Full-time employees will be paid regular salary. The employee shall retain any remuneration received from the court for such duty.

Should an employee be subpoenaed or called for jury duty, and excused, such employee will report promptly to his or her District assigned duties.

PERSONAL INJURY LEAVE

The District shall have the right to have an employee on leave due to personal injury examined by a physician, designated by the District, to assist in determining the length of time the employee is temporarily unable to perform regular duties and that the disability is attributed to the injury involved.

WORKERS' COMPENSATION

All on-duty accidents should be reported to that employee's supervisor immediately. To qualify for Workers' Compensation benefits, an accident must be reported within four working days of when the accident occurred. The supervisor shall, in turn, promptly notify the Human Resources Department. The following District procedure for Workers' Compensation must be followed in order to ensure timely medical treatment, eligibility for the insured worker and appropriate return to work.

If you are injured on the job:

Advise your supervisor/administrator of the accident as soon as possible.

- ✓ Injured employee is required to fill out an Employee's Accident Report.
- ✓ Supervisor/administrator is required to investigate the accident and then fill out a Supervisor's Accident Report, from their perspective, not the employee's.
- ✓ Injured employee is required to sign a Permission for Release of Information Form.
- ✓ If medical treatment is required: Supervisor/administrator is required to fill out a Workers' Compensation Authorization for Evaluation or Treatment & Designated Provider List Form.
- ✓ Supervisor/administrator gives a copy of the Workers' Compensation Authorization for Evaluation or Treatment & Designated Provider List Form to the injured employee to go to COMP (Colorado Occupational Medicine Physicians) or Concentra as noted below.
- ✓ Supervisor/ administrator faxes all the forms, and mails the originals to Human Resources, Fax: 303.657.3938.

All Workers' Compensation forms are found in Appendix A.

In the event of a non-emergency injury, the employee will need to provide a copy of the completed Workers' Compensation Authorization for Evaluation or Treatment & Designated Provider List Form to one of the designated physicians at COMP or Concentra. As a courtesy, the treating facility should be notified of an injured employee's anticipated arrival.

In the event of an emergency and/or if the injury occurred after-hours, then the employee should visit the nearest hospital emergency room. Follow-up care must be provided by a designated physician at COMP or Concentra.

An employee may not seek care from a private doctor or unauthorized medical facility for non-emergency injuries or follow-up care without prior approval. If an employee decides to seek care from a private doctor or unauthorized medical facility without prior approval, he/she is responsible for all costs associated with such care.

Return to Work

- ✓ Obtain a signed Work Status form from the physician and return it to Human Resources.
- ✓ If you are off work, you must report progress to your supervisor/administrator after each follow-up visit.
- ✓ The injured employee must report to Human Resources before going back to work. The employee will need a doctor's release and will be required to sign a Return to Work form.

ASSIGNMENT, REASSIGNMENT, TRANSFERS AND SALARY PLACEMENT

The Board of Education, through its representatives, reserves the right to assign, reassign, or transfer any ESP employee at any time in accordance with District needs.

Should an ESP employee request transfer to, and be selected for, a move from a higher classification to a lower classification or vice versa, placement on the lower/higher classification schedule will be on the same experience interval as in the higher/lower classification.

Human Resources and Financial Services must first approve a request to change hours per day or days per year. If an approved change of hours or days occurs in a position, the supervisor should provide a minimum of two weeks' notice of the effective date to the affected employee(s).

In addition, with the exception of Transportation Services, if a change in assignment becomes necessary, the administrator/supervisor will discuss the change for the ESP(s) who might be affected. The process will take into account the program needs of the building/department, and will consider those who have volunteered for the assignment. A consensus decision is preferred; however, in the absence of such decision, the administrator/supervisor has the responsibility to decide taking in account at least the following considerations:

1. The skills desired for the position;
2. The employee's experience, including length of service in the District and the most recent work experience;
3. The employee's educational preparation and training; and
4. The employee's job performance while employed by the District.

If a change in assignment initiated by the District results in the need for retraining or additional training, the District will pay for tuition costs for the employee to avail himself/herself of the training, which is required by the District.

FLOATER POSITIONS

The district will create "floater" positions to cover for absent Special Education Para educators when possible.

INTERPRETER PAY

Pay for after contract hours interpreting will be the same for ESP as for certified staff with the prevailing certified rate (\$20 per hour) being the standard. (As a point of information, those interested in being part of this pool should contact their principal or the Learning Services Department.)

STUDENT SUPERVISION OF ESP STAFF

Board of Education Policy #GDK

ESP staff who are assigned to assist licensed staff in the provision of services related to instruction or supervision of children are directly responsible to the assigned licensed staff member and the principal.

It is the principal's prerogative to assign licensed and ESP staff members to duties. Each building principal will develop administrative procedures pertinent to that building or buildings.

ESP STAFF PARTICIPATION IN POLITICAL ACTIVITIES

Board of Education Policy #GDQF

The District recognizes that employees have the same fundamental civic responsibilities and privileges as other citizens. Among these are campaigning for an elective public office and holding an elective or appointive public office.

Any employee who intends to seek election to a public office shall notify the Superintendent in writing as soon as is practical. The communication shall identify the office for which that person intends to seek, and the decision concerning the continuation of District employment. In the event that the decision is to continue employment, the employee shall identify the requisite terms and conditions.

The Superintendent shall meet with and discuss these matters with the employee involved, and will present a proposed solution to the Board for consideration. The essential element to be determined by the District is whether the activities proposed by the employee are compatible with the time requirements for fulfilling that person's responsibilities to the District.

The District shall determine the terms and conditions under which the employee may continue employment as that person seeks or holds such office.

Regarding political campaigns, no employee shall use school system facilities, equipment, or supplies; nor shall the employee discuss the campaign with school personnel during the working day; nor shall any time during the work day be used for campaigning purposes.

STAFF PARTICIPATION IN COMMUNITY ACTIVITIES

The support of public education depends upon the confidence the public has in its schools, its awareness of the importance of education, and an understanding of the educational needs of children.

It is the Board's wish that all employees become an integral part of the community to the extent that they share in its life and interests and contribute to its general welfare. All staff members are encouraged to become active in community groups and their activities.

Educational Support Professional employees have a responsibility, which extends beyond their work assignments. This responsibility is to seek opportunities to interpret factually the school system to members of the community. The Board wishes all employees to be well-informed concerning the overall operation of the District so that questions can be answered accurately and in a straightforward manner.

STAFF VOTING

Participation in all elections is not only a privilege; it is a responsibility, which the District urges all employees to assume. Any employee whose work schedule effectively prevents the employee from voting before or after work hours or during break time shall be permitted paid leave not exceeding two hours for the purpose of voting.

STAFF CONFLICTS OF INTEREST

Board of Education Policy #GDQI

No ESP employee of the school District shall engage in or have a financial interest, directly or indirectly, in any activity that conflicts or raises a reasonable question of conflict with that person's duties and responsibilities or is contrary to law.

No ESP employee shall sell books, supplies, musical instruments, equipment, or other merchandise to any student, or parent/guardian thereof, who attends the school served by the employee unless written approval has been obtained from the District.

At no time will the supervisor or any administrator responsible for the supervision and/or evaluation of an employee be directly related to that person.

Failure to abide by these regulations may result in disciplinary action, demotion, suspension, or dismissal.

ADMINISTRATIVE PROCEDURES FOR ADMINISTERING MEDICINE

- An annual Medication Training provided by School Nurse Consultants is required in order to administer medications on an ongoing basis. The protocol for administering medication is the basis of this training. Only employees who have undergone this training are authorized to administer medicine.
- The District's School Nurse Consultants are responsible for the training, delegation, and supervision of those who will administer medications.
- Only the School Nurse Consultants can delegate this responsibility based on State Guidelines and the Colorado Nurse Practice Act.
- Only selected positions will qualify for distributing medications during the school day. Most frequently this includes school secretaries, building aides, and some Special Education personnel.
- Medication administration will be monitored on an ongoing basis, and delegation can be withdrawn at any time at the discretion of the School Nurse Consultant. If delegation is withdrawn, the administrator will be informed.

INFECTION CONTROL POLICY

Infection can be transmitted by organisms in the following four ways:

- Through the intestinal tract (in feces or stool)
- Through the respiratory tract (in secretions from the mouth, nose, lungs, and eyes)
- Through direct contact or touching
- Through contact with blood or certain body secretions

Some diseases are spread more easily than others. For example, a "cold or virus" can easily pass from person to person. These illnesses are usually minor.

Other diseases are more serious, such as Hepatitis B and HIV. Although these diseases are serious, they are not spread by casual contact, such as coughing, sharing restrooms, or touching another

person. Hepatitis B and HIV are diseases that are spread through blood-to-blood contact, and by exchange of certain body secretions.

To reduce the spread of infectious disease, it is important to follow universal precautions. Universal precautions are a set of guidelines which assumes that all blood or certain body fluids anyone comes in contact with is potentially infectious. The following is a description of universal precautions. It is imperative that these guidelines be followed at all times when providing care to any student, whether or not the student is known to be infectious or not.

Hand Washing:

This is the single-most important way to prevent the spread of infection. Hands must always be washed at the following times.

- Upon arrival for the day
- Before eating or handling food
- Before feeding a student
- After diapering and toileting
- After handling body fluids (mucus, blood, vomit, and after wiping noses, mouths, & sores)
- After cleaning
- Before and after giving medication
- Before and after performing special health care procedures
- Between contact with different students

Handling Blood and Other Body Fluids:

Treat all blood and body fluids as if they are infectious.

Assure that soap, running water, paper towels, gloves, and proper disinfecting solutions are available in the health office.

Wear latex gloves at all times including the following situations:

- When school personnel come in direct contact with blood or body fluids that may contain blood (i.e., bloody noses, loose teeth, bloody wounds, vomit, stool, etc.).
- When breaks in the skin (scrapes, cuts) are present on school personnel's hands and the person comes in direct contact with blood or body fluids.

Wash hands even after gloves have been worn.

Cleaning or Disposing of Infectious or Bloody Material:

Wipe up a spill of blood or body fluids with a paper towel and dispose of material in the trash. Wear gloves! Double bag the trash or place the bloody material in a zip-lock bag and dispose immediately.

Clean and disinfect the area with an approved disinfectant or a bleach solution (one part liquid bleach to 10 parts water).

Send all soiled clothing (i.e., clothing with blood, stool, or vomit) home with the student in a double-bagged plastic bag. Do not attempt to clean or rinse clothing in the toilet. Instruct parents to clean and disinfect the clothing.

Other Basic Guidelines to consider when providing First Aid:

Avoid contact with body fluids

Encourage students to care for their own wounds as much as possible

Wear latex gloves while providing first aid

Wash hands after providing care to a student

Assure that first aid supplies are available

Advise staff supervising the playground to carry a pack which contain gloves and first aid supplies to treat bloody injuries before the student arrives in the health office

Do not eat or touch your mouth or eyes while giving first aid

Guidelines for students:

Remind students to wash hands after coming in contact with their own blood or body secretions

Remind students to avoid direct contact with another person's blood or body secretions

SEXUAL HARASSMENT POLICY

Board of Education Policies #GBAA/GBAA-R

The District is committed to a learning and working environment that is free from sexual harassment. Sexual harassment is recognized as a form of sex discrimination and thus a violation of the laws which prohibit sex discrimination.

It shall be a violation of policy for any member of the district staff to harass another staff member or student through conduct or communications of a sexual nature. Any conduct of a sexual nature directed toward students by teachers or others to whom this policy applies, shall be presumed to be unwelcome. Sexual harassment committed by an employee of the district in the course of employment shall be deemed a breach of duty, and as such, shall subject the offending employee to disciplinary action. This policy similarly applies to non-employee volunteers or any other persons who work subject to the control of school authorities.

Sexual Harassment Prohibited

For purposes of this policy, unwelcome sexual advances, requests for sexual favors, or other unwelcome conduct of a sexual nature constitutes sexual harassment if:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or educational development
2. Submission to or rejection of such conduct by an individual is used as the basis for employment or education decisions affecting such individual
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile or offensive working or educational environment

The prohibition against sexual harassment applies whether the harassment is between people of the same or different gender.

Sexual harassment as defined above may include but is not limited to:

1. Sex-oriented verbal "kidding," abuse or harassment
2. Pressure for sexual activity
3. Repeated remarks to a person with sexual implications
4. Unwelcome touching, such as patting, pinching or constant brushing against another's body
5. Suggesting or demanding sexual involvement, accompanied by implied or explicit threats concerning one's grades, employment status or similar personal concerns
6. Sexual violence

Reporting, Investigation and Sanctions

It is the express desire of the Board to encourage victims of, or witnesses to, sexual harassment to report such claims through the district's complaint process (AC-R).

Employees who feel that their superiors are conditioning promotions, increases in wages, continuation of employment, or other terms or conditions of employment upon agreement to unwelcome conduct of a sexual nature, are encouraged to report these conditions to the appropriate administrator or to the district's compliance officer.

All reports of sexual harassment received by any district employee shall be promptly forwarded to the compliance officer (AC-E-1). The compliance officer shall ensure that every complaint is promptly investigated and responded to as set forth in the district's complaint and compliance process (AC-R). No reprisals or retaliation shall be allowed to occur as a result of the good faith reporting of charges of sexual harassment. Requests for confidentiality shall be honored so long as doing so does not preclude the district from responding effectively to the harassment and preventing such conduct in the future.

Any employee found to have engaged in sexual harassment shall be subject to sanctions, including, but not limited to, warning or reprimand, suspension, or termination, subject to applicable procedural requirements. Conduct of a sexual nature directed toward students shall, in appropriate circumstances, be reported as child abuse for investigation by appropriate authorities in conformity with policy JLF.

Filing of a complaint or otherwise reporting sexual harassment shall not reflect upon the individual's status or affect future employment or work assignments. All matters involving sexual harassment complaints shall remain confidential to the extent possible.

Reporting Procedures

Any person who believes he or she has been the victim of sexual harassment by a student or an employee of the School District, or any third person with knowledge or belief of conduct which may constitute sexual harassment should report the alleged acts immediately to an appropriate School District official as designated by this policy. The School District encourages the reporting party or complainant to use the report form available from the principal of each building or available from the School District office.

- a. In Each School Building. The building principal is the person responsible for receiving oral or written reports of sexual harassment at the building level. Upon receipt of a report, the principal must notify the District Chief Human Resources Officer immediately without screening or investigating the report. A written report will be forwarded simultaneously to the Chief Human Resources Officer. If the report was given verbally, the principal shall reduce it to written form and forward it to the Chief Human Resources Officer. Failure to forward any sexual harassment report or complaint as provided herein will result in disciplinary action. If the complaint involves the building principal, the complaint shall be filed directly with the Chief Human Resources Officer.
- b. District-Wide. The District hereby designates the Chief Human Resources Officer as the designated person to receive reports or complaints of sexual harassment from any individual, employee or victim of sexual harassment and also from the building principals as outlined above. If the complaint involves the Chief Human Resources Officer, the complaint shall be filed directly with the Superintendent. If the complaint involves the Superintendent, the complaint can be filed with the Chief Human Resources Officer. The School District shall conspicuously post the name of the Chief Human Resources Officer, including a mailing address and telephone number.
- c. Submission of a complaint or report of sexual harassment will not affect the individual's future employment, grades or work assignments.
- d. Use of formal reporting forms is not mandatory.
- e. The School District will respect the confidentiality of the complainant and the individual(s) against whom the complaint is filed as much as possible, consistent with the School District's legal obligations and the necessity to investigate allegations of harassment and take disciplinary action when the conduct has occurred.

Investigation and Recommendation

By authority of the School District, the Chief Human Resources Officer, upon receipt of a report or complaint alleging sexual harassment, shall immediately authorize an investigation. This investigation may be conducted by School District officials or by a third party designated by the School District. The investigating party shall provide a written report of the status of the investigation

within ten working days to the Superintendent of Schools and the Chief Human Resources Officer. If the Superintendent is the subject of the complaint, the report shall be submitted to the Chief Human Resources Officer.

In determining whether alleged conduct constitutes sexual harassment, the School District should consider the surrounding circumstances, the nature of the sexual advances, relationships between the parties involved and the context in which the alleged incidents occurred. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.

In addition, the School District may take immediate steps, at its discretion, to protect the complainant, students and employees pending completion of an investigation of alleged sexual harassment. The School District Chief Human Resources Officer shall make a report to the Superintendent upon completion of the investigation.

School District Action

- a. Upon receipt of a recommendation that the complaint is valid, the School District will take such action as appropriate based on the results of the investigation.
- b. The result of the investigation of each complaint filed under these procedures will be reported in writing to the complainant by the School District. The report will document any disciplinary action taken as a result of the complaint.

Non-Reprisal

The School District will discipline any individual who retaliates against any person who reports alleged sexual harassment or who retaliates against any person who testifies, assists or participates in an investigation, proceeding or hearing relating to a sexual harassment complaint. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

Non-Harassment

The School District recognizes that not every advance or consent of a sexual nature constitutes harassment. Whether a particular action or incident is a personal, social relationship without a discriminatory employment effect requires a determination based on all the facts and surrounding circumstances. False accusations of sexual harassment can have a serious detrimental effect on innocent parties.

Right to Alternative Complaint Procedures

These procedures do not deny the right of any individual to pursue other avenues of recourse such as filing a complaint by a student under Title IX with the grievance officer; filing charges with State Civil Rights Office, or EEOC.

Sexual Harassment as Sexual Abuse

Under certain circumstances sexual harassment may constitute sexual abuse under state statutes. In such situations, the School District shall comply with the reporting requirements of state law and the procedures under the District policy on child abuse.

Discipline

Any School District action taken pursuant to this policy will be consistent with requirements of applicable collective bargaining agreements, state statutes and School District policies. The School District will

take such disciplinary action it deems necessary and appropriate, including warning, suspension or immediate discharge to end sexual harassment and prevent its recurrence.
